

SUMMER and FALL 2014

VOCAL

PERFORMANCE

WORKSHOPS!

“Just not singing”

PERFORMING!

Only \$20 per hour!

TRAINED & UNTRAINED SINGERS & DANCERS

- Learn and experience how to use safe and specific techniques to create Rock qualities, Pop techniques will allow you to express a literal interpretation of the story in the song from dark to very bright qualities that express depict the meaning of the song.
- Experience how to create countless intensities by changing the direction of your air.
- How to and when to modify vowels and consonants to maintain a continuous –melodic vocal line.
- How to engage specific muscles for extra breath support.
- Sing with more with more expression and interpretation and impacting your listeners with the choice of singing, dancing or both!

**CUSTOM – DESIGNED EXERCISES FOR EACH STUDENT'S
VOCAL NEEDS AND GOALS.**

Most recently our performance team requested our Vocal Ensemble to sing for two different opening ceremonies at local large stadiums and choreography performed for opening ceremonies in local area.
